

School Fundraiser Info:

Bagitos are full-sized reusable shopping bags that stuff down into a small pouch, small enough to hang on your key ring!

Made from 100% rPet fabric (**recycled plastics**), Bagitos are double-stitched for strength and gusseted for large capacity.

We donate a percentage of our net proceeds directly to our sister non-profit K-12 environmental literacy project, Power2Sustain.

Each bag comes with a hangtag that shares our story

Sell Bagito Original Reusable Shopping Bags for Key Ring, help your school and community go greener and earn 50% in profits back for you school/club/organization.

You send us your artwork/logo, and we send you a digital mock-up for your review. You approve and we imprint the bags, send them to you and invoice you at a discounted rate (see below for pricing).

You/your students then sell the bags at (50% margin) our suggested price (or one that you set) and you keep the profits. We can provide, sales flyer and poster templates along with order forms should you need them.

Details

- Your school orders a minimum of 125 Bagito Originals with a one color imprint in one location (or 125 bags non-imprinted bags.)
- You pay \$6.00/each for imprinted (one color/one location) and sell for \$12.00/each (or \$4.00/each for non-imprinted and sell for \$8.00 each) and keep the profits
- Lead time for imprinted orders is 10-20 days, non-imprinted ship in 2-5 days.
- We accept vectored artwork files (AI, EPS, or either embedded in a PDF.)

We also offer full graphic services, should you need help with custom artwork/design, for an additional cost.

Bagitos are made from 100% post consumer plastics. Each bag eliminates approximately 25lbs of plastic waste from our environment. Bagitos are made in a factory that upholds fair and ethical working conditions.
